

Beibei Cong

✨ Summary

I am a Digital Education postgraduate at Xi'an Jiaotong-Liverpool University with a bachelor's background in Translation. Drawing on internship experience in professional translation and English teaching assistance, I have solid bilingual translation, proofreading and communication skills. Trained in audience-centred translation theories, I combine language strengths with digital-education perspectives and seek opportunities in education-related roles.

💼 Experience

08/2022 — 11/2022

Translation Intern

Harbin Yutang Translation Service Co., Ltd.

- Designed and updated industry-specific terminology database entries to boost team translation efficiency.
- Conducted bilingual translation and cross-check proofreading for business contracts, product manuals and cultural materials; identified and fixed linguistic errors to improve translation quality.
- Communicated with clients to confirm translation requirements and ensured deliverables aligned with client expectations.

07/2021 — 09/2021

English Teaching Assistant

New Oriental Education & Technology Group

- Designed class exercises and test materials to support daily teaching delivery.
- Conducted student performance tracking, offered learning feedback and assisted in building personalised study plans.
- Supported in-class management, answered students' after-class questions and communicated learning progress to parents.
